On the other hand there is a provision of 5 Varahas in favour of the Sankara Sastry doing duty on behalf of Sesha Sastry as Vicharane Karta. And, this Amount was subsequently raised to 10 Varahas, according to the Scale now in force. There is a provision of Rs 29-1-6 per mensem for payment to the Agrahara. Mr. Govinda Sastry will get this sum so long as he is agent and ~~as soon as he is~~ on his relief from ~~relieved~~ of his duties as such, the payment will cease. There is nothing on record to justify your contention that Mr. Govinda Sastry should continue to be paid Rs 30 or Rs 29-1-6, even after he ceases to be agent.

I am further to inform you that it has been decided not to continue Mr. Govinda Sastry in the management of the Mysore Chattram at Benares and that he should be ready to hand over charge of the chattram accounts, when called upon to do so.

Letter No.285 dated 17-3-1922 from Mr. Madhoram Maniram Harjiwanram, Gaighat, Benares City to the Huzur Secretary to His Highness the Maharaja of Mysore.

Two days after sending my humble letter to you, I received a letter from the Muzrai Secretary for an estimate for the repair of the dilapidated building at Hanumanghat. On receipt of the letter, I went and looked through the building and all its portions very carefully. I find that the foundation is quite strong while the upper portions are in a very bad condition- If the upper portion of the building is pulled down leaving the foundation as it is and the building is re-built with the same bricks and wood and beams ~~if xxx xixx ix~~ where they are sound and strong and if new lime is used for building purposes and plaster and iron garters used where beams have given way, it would not cost much more than what would be required for repairing the doors, windows and walls. Both kinds of estimates are being prepared and will soon be sent for your consideration and approval. In the mean time I see many useful and necessary articles required for the building are being sold by the Hindu University and other Bankers, if you permit me, I may buy them and keep them ready for the construction. At this time, those articles will be secured at a lower price. This is a charitable work of His Highness here at Kashi and so I beg to assure you that I would spare no pains to get the building beautifully done under my own direct supervision at the lowest possible cost and in the shortest time.

SIR,

With reference to the correspondence ending with your letter No.4859, dated the 6/7th: March,1922, I have the honour to say that Mr.Madho Ram of Messrs Mani Ram Harjeemanram, Gaighat, called on me the other day and told me that he has taken charge of the site and has made proper arrangements for the disposal of the lingams. He told me tha the State should have nothing to do with the lingams now and that it is his business to deal with them. Under these circumstances I do not understand why the execution and the registration of the sale deed should now be delayed.

I shall give Mr.Madho Ram any help he might require in connection with the place and its repair at any time and I told him to that effect.

Respected Sir,

I beg to bring to your kind notice that the registration of the house at Hanumanghat has not yet taken place. I keep on reminding the Chief Secretary of Benares State and hope the resgistration will take place in a week or so. When this work of registration is over, I shall have to get the main building pulled down, because this year's heavy rains have greatly damaged the structure. The pulling down and removing the materials will be cost about Rs.1000/- or so. The old materials will be used in building the outer houses &c.

I have despatched to day by registered post a sketch of the main building with the estimate noted down therein for your approval. This will cost between Rs.23,000/- to Rs.25,000/-.

I hope you will be good enough to put it before His Highness at an appropriate moment if necessary and send me the approval or instructions about it.

Trust this finds you all well,

With best regards,

Sir,

I have the honor to state that a sum of Rs.100/- was advanced from the Permanent Imprest of the Muzrai Superintendent's Office on 26th June 1922 to be remitted to Benares to meet the charges in connection with registration of the title deeds of the newly purchased chattram building at Benares (vide your No.6814/Muz.568-19-50 dated 10th June 1922), but the amount is still outstanding adjustment with the result that the permanent advance of this office is short of Rs.100/- since then. This item being a proper charge on the Benares charities, the best course seems to be to draw this amount now as an advance from the funds at the credit of the Benares charities and recoup the permanent advance of this office. On receipt of details accounts of expenditure for registration and other charges, the advance drawn may be adjusted.

2. I request kind sanction of Government to draw the said sum as an advance from the funds at the credit of Benares charities which amount to Rs.202-7-2.
